L. 95–91, 91 Stat. 599 (42 U.S.C. 7254 and 7256); Federal Grant and Cooperative Agreement Act, as amended (31 U.S.C. 6301 *et seq.*).

SOURCE: 57 FR 40583, Sept. 3, 1992, unless otherwise noted.

§ 605.1 Purpose and scope.

This part sets forth the policies and procedures applicable to the award and administration of grants and cooperative agreements by the DOE Office of Energy Research (ER) and the Science and Technology Advisor (STA) Organization for basic and applied research, educational and/or training activities, conferences and related activities.

§ 605.2 Applicability.

(a) This part applies to all grants and cooperative agreements awarded after the effective date of this amended rule.

(b) Except as otherwise provided by this part, the award and administration of grants and cooperative agreements shall be governed by 10 CFR part 600 (DOE Financial Assistance Rules).

§ 605.3 Definitions.

In addition to the definitions provided in 10 CFR part 600, the following definitions are provided for purposes of this part—

Basic and applied research means basic and applied research and that part of development not related to the development of specific systems or products. The primary aim of research is scientific study and experimentation directed toward advancing the state of the art or increasing knowledge or understanding rather than focusing on a specific system or product.

Educational/Training means support for education or related activities for an individual or organization that will enhance education levels and skills in particular scientific or technical areas of interest to DOE.

Principal investigator means the scientist or other individual designated by the recipient to direct the project.

Recipient obligation means the amounts of orders placed, contracts and subawards issued, services received, and similar transactions during a given period that will require payment by the recipient during the same or a future period.

Related conference means scientific or technical conferences, symposia, workshops or seminars for the purpose of communicating or exchanging information or views pertinent to ER/STA.

Special purpose equipment means equipment which is used only for research, medical, scientific, educational, or other related project activity.

§ 605.4 Deviations.

Single-case deviations from this part may be authorized in writing by the Director or Deputy Director of ER or the Head of a Contracting Activity upon the written request of DOE staff,

Department of Energy

§ 605.8

an applicant for an award, or a recipient. A request from an applicant or a recipient must be submitted to or through the cognizant contracting officer. Whenever a proposed deviation from this part would be a deviation from 10 CFR part 600, the deviation must also be authorized in accordance with the procedures prescribed in that part.

§ 605.5 The Office of Energy Research Financial Assistance Program.

(a) DOE may issue, under the Office of Energy Research Financial Assistance Program, 10 CFR part 605, awards for basic and applied research, educational/training activities, conferences, and other related activities under the ER program areas set forth in paragraph (b) of this section and described in appendix A of this part.

(b) The Program areas are:

- (1) Basic Energy Sciences
- (2) Field Operations Management
- (3) Fusion Energy
- (4) Health and Environmental Research
- (5) High Energy and Nuclear Physics
- (6) Scientific Computing Staff
- (7) Superconducting Super Collider
- (8) University and Science Education Programs
- (9) Program Analysis; and
- (10) Other program areas of interest as may be described in a notice of availability published in the FEDERAL REGISTER.

§ 605.6 Eligibility.

Any university or other institution of higher education or other non-profit or for-profit organization, non-Federal agency, or entity is eligible for a grant or cooperative agreement. An unaffiliated individual also is eligible for a grant or cooperative agreement.

§ 605.7 [Reserved]

§ 605.8 Solicitation.

(a) The Catalog of Federal Domestic Assistance number for this program is 81.049, and its solicitation control number is ERFAP 10 CFR part 605.

(b) An application for a new or renewal award under this solicitation may be submitted at any time to DOE at the address specified in paragraph

(c) of this section. New or renewal applications shall receive consideration for funding generally within 6 months but, in any event, no later than 12 months from the date of receipt by DOE.

(c) Applicants may obtain application forms, described in § 605.9(b), and additional information from the Acquisition and Assistance Management Division, Office of Energy Research, ER-64, Department of Energy, Washington, DC 20585, (301) 903-5544, and shall submit applications to the same address.

(d) DOE shall publish annually, in the FEDERAL REGISTER, a notice of the availability of the Office of Energy Research Financial Assistance Program. DOE shall also publish notices or abbreviated notices of availability in trade and professional journals, and news media, and use other means of communication, as appropriate.

(1) Each notice of availability shall cite this part and shall include:

(i) The Catalog of Federal Domestic Assistance number and solicitation control number of the program;

(ii) The amount of money available or estimated to be available for award;

(iii) The name of the responsible DOE program official to contact for additional information, and an address where application forms may be obtained;

(iv) The address for submission of applications; and

(v) Any evaluation criteria in addition to those set forth in § 605.10.

(2) The notice of availability may also include any other relevant information helpful to applicants such as:

(i) Program objectives,

(ii) A project agenda or potential areas for project initiatives,

(iii) Problem areas requiring additional effort, and

(iv) Any other information which identifies areas in which grants or cooperative agreements may be made.

(e) DOE is under no obligation to pay for any costs associated with the preparation or submission of applications.

(f) DOE reserves the right to fund, in whole or in part, any, all, or none of the applications submitted.

(g) To be considered for a renewal award under this part, an incumbent
